Our Waterloo beans are 100% Arabica and are carefully sourced from the heights of the Colombian mountains. They are roasted for slightly longer than normal to gently release the flavour of the bean, giving it a smooth taste with a soft citrus finish.

With its heavy body & buttery mouthful our complex & chocolaty espresso has the body & depth of flavour to stand up in milky drinks such as Lattes & Cappuccinos or is delicious drunk neat as a single or double Espresso.

All our food is prepared in a kitchen where nuts, gluten and other allergens are present.
